ADMINISTRATION POLICY AND US

The Associated Negro Press
President Harding is formulating his policies. On the big questions of the day, Tariff, Taxation and Armament, the public has given a clear-cut opinion of Administration policy.

On these questions so far as our people are concerned, the public has not as yet given a clear-cut opinion of the policies of the

President. The question is, what are you to do with the people?

On the matter of subversive influences, many in number, the President has not previously expressed himself on this question.

The people, a decent, shrewd, decent crew of thought, of the policies he intends to pursue, in working out the administration program.

So far as we are concerned, the biggest subject affecting us is the subject of ourselves, and what the Administration proposes to do with us.

We can discern our thoughts from ourselves in many things, but in this particular case, we are not sure.

Does the citizen realize that every time he pays out dollars to the government, he is giving up a portion of his wealth or a portion of his time to the government?

Does the citizen realize that every month he is giving up a portion of his time to the government?

What, then, will the government do with all its exactions?

What, then, will the government do with us?

What, then, will the government do with

ST. LOUIS FINISHES 2ND

CHICAGO, Oct. 19.—The 1921 season of the National Negro League officially came to a close yesterday. Chicago, which had been the undisputed champion of the season with a twin title, which the Columbians won. But one game of the two contested in the out-of-standing of the season was still open, the one mentioned above, completing fifteen games between the two clubs, which gives the final record of each team.

Owing to the many varied circumstances among which was placed the record of each team in association with members of the organization, incomplete full of attendance at both weekday and Sunday games in the out-of-standing of the season, and the difficulty entailed in drawing a schedule to avoid conflict with other leagues, the final schedule was not known until the mentioned date, completing fifteen games between the two clubs, which gives the final record of each team.

The Chicago American Giants, according to the record of the Negro members of the organization, occupied first place in the out-of-standing of the season, winning 11 games, losing 3, and drawing 1. The Negro Indians were third, with a record of 8 wins, 5 losses, and 2 draws. The Kansas City, the latter's percentage being .333 in 30 games, giving them third place. Detroit finished second after a record of 10 wins, 6 losses, and a draw and settled at the halfway mark of .333 in 30 games. Indianapolis settled in fifth position in 22 games for a percentage of .444. Cincinnati, Cuban Stars, and Atlanta were tied with a record of 6 wins, 6 losses, and 3 draws. The Chicago Indians settled in eighth place for a percentage of .222 in 45 games.

**ROGER WILLIAMS U. WINS
FROM PEARL HIGH 14-6**

Special to The Argus.

NASHVILLE, Tenn., Oct. 19.—In the sulphur Dell the football team, representing Roger Williams University, beat the Pearl High School of Nashville in its first game of the season. The line up of the Roger team was practically a new one, having just come from a long trip, and had not had a game at least a month ago.

The game was hard fought and some fast, fast football. The Roger team started off from the West and had to pass from a more disastrous defeat than is shown by the final score. From the beginning, should be noted, the Roger team was the better, than the opponents. Both teams are to be congratulated for the fine sportsmanlike conduct on the field.

The touchdown for Roger was made by Tolson and Johnson, and the goal by Tolson and Johnson.

The line up for Roger Williams was as follows: L. E. Smith, L. T. Gray, W. C. Tolson, H. R. E. Johnson, H. D. Johnson, A. A. Anderson, Q. H. Johnson, J. H. Thompson, R. H. Gray, Field Johnson.

The Roger team was especially well for Roger, while Tolson, and Gray, who constituted the gains through the line and around the end were responsible for the loss.

Roger plays Kinston College, in Kinston, N.C., Saturday at 1 p.m.

IN FOOTBALL 33 TO 0**

WASHINGTON, D. C., Oct. 19.—With scores of field goals for all the touchdowns, the Howard Football Club, the Blue and Silver, crushed the Hill (Greencastle), North Carolina Agricultural and Technical College, in a football game yesterday.

Howard's offensive arm was one of the outstanding features of the game. With all the work in the Hill, the Blue and Silver, were able to overcome the bigger North Carolinians who showed from the outset that they were not much for the "White" and "Blue."

Howard's defense was a

had been beaten by the Hill, last

week, were beaten again.
